Learn about marine conservation and sea turtles while you explore the island of Kefalonia and historical sites of Athens.

OVERVIEW

Set sail for Greece, where we will explore one of the world's oldest cultures and learn about important marine conservation work. Due to climate change and human impact on this ancient land, Loggerhead sea turtles and other native wildlife are at risk of extinction.

Learn about the importance of preserving these magnificent creatures and their unique role in marine ecosystems. Get to know Athens and discover its ancient sites, such as the Acropolis and the Ancient Agora. Immerse yourself in the Mediterranean island lifestyle of Kefalonia and learn all about Loggerhead sea turtles and marine conservation. Wrap up your adventure with a visit to a local bee farm. Meet with warm locals, taste incredible Mediterranean cuisine and immerse yourself in the sights and sounds of this vibrant and warm culture!

ITINERARY

Actual schedule of activities will vary by program session. The information detailed here is typical for what you can expect to experience; however, service work and activities vary depending upon the needs of our local community partners, various celebrations and customs, as well as the weather and specific needs of the student group.

DAY 1: WELCOME TO GREECE!

Welcome to Greece! GLA staff will meet you when you land in the Athens airport and we'll travel together to your new home away from home. Get settled into your room and relax. Enjoy your first Greek meal with your new friends and get plenty of rest as we have an exciting full day of activities tomorrow!

DAY 2: ATHENS AND THE ACROPOLIS

After breakfast at the hotel, step outside into Athens proper to meet our guide. We'll spend the day visiting the modern city and exploring the ancient architecture that Athens has to offer, including the Acropolis. Get introduced to Greek cuisine by taking part in a food tour around Athens.

DAY 3: TURTLE VISITOR CENTER & TRAVEL TO KEFALONIA

Today we'll visit Archaelon, Greece's largest organization dedicated to protecting sea turtles. We'll take part in an informative tour around the facilities and we'll be able to see some rescued turtles. This will serve as a perfect introduction for the work we'll do for the next week in Kefalonia. After the tour, we'll say goodbye to Athens and we'll embark on a beautiful bus and ferry journey through the Peloponnese towards the island of Kefalonia, our home for the next week.

DAYS 4-9: SEA TURTLES, MARINE CONSERVATION AND SERVICE PROJECT

This week is all about sea turtles and marine conservation! You'll spend a week on the island of Kefalonia assisting a local organization that works towards the conservation of the Loggerhead sea turtle. You'll survey the beach early in the morning to look for sea turtle nests. You'll measure, record, and mark the nesting sites to protect them from predators and human impact. Additionally, you'll do harbour surveys, as sea turtles often frequent the areas where fishing boats arrive every morning to deliver their catch. You'll also learn how to conduct snorkeling surveys - a very interesting (and fun!) technique that's commonly used by marine scientists around the world to monitor the health of marine ecosystems. Finally, you'll participate in beach cleanups in the area where sea turtles nest in order to keep the site as healthy as possible.

Besides all the hands-on community service projects you'll work on, you'll participate in workshops and discussions about climate change, sea grass ecology, fish identification, sea turtle biology, and the use of drones in marine conservation.

Most days will be long and filled with adventure! Beach survey days will begin at 5am in order to beat the heat and the tourists. Other days will begin around 8am for beach clean-ups or harbour surveys. We'll also make sure to take breaks to enjoy the beautiful beaches that make Kefalonia so famous, as well as the world-renowned Melassani Cave - a sinkhole of crystal-clear surrounded by limestone.

DAY 10: FERRY BACK TO MAINLAND & BEE FARM

It's time to say goodbye to Kefalonia. We'll retrace our steps back towards Greece's mainland by taking a ferry and a then a bus. In the afternoon we'll visit a local bee farm. We'll tour the farm and learn all about bees and their importance in the local ecosystem. We'll put on our beekeeper suits and interact closely with the bees. We'll spend the night at a cozy hotel in the countryside and we'll get a taste of Greece's charming village lifestyle.

DAY 11: LAST DAY IN ATHENS

As our adventure is almost coming to an end, we'll begin the day by driving back towards Athens. In the afternoon we'll have time to buy souvenirs, pack, and have a closing activity as a group. At night we'll dress up and go out for a farewell dinner at a special location.

DAY 12: DEPARTURES

Too soon, our trip to Greece has come to an end. We'll head to the airport after breakfast, staff will help get you checked in and see you off on your journey home.

FOOD

Greece is known for its amazing cuisine around the world. Expect lots of vegetables, olive oil, Greek yogurt, salads, feta cheese, and various types of meats. Greek dishes are delicious and packed with a variety of fresh and dried herbs.

CLIMATE

Greece has a temperate climate, but there is some fluctuation in temperature and weather throughout the islands. For the most part, the temperature will be quite warm so make sure to pack plenty of light clothes. In the evenings it can cool down, so make sure to bring a layer or two!! Days will usually be in the mid 80's and sometimes up into the 90's. You'll receive a full packing list closer to your program start date.

LEADERSHIP

Global Leadership Adventures started as an educational institute, so we continue to think and act like educators—not tour operators—as we deliver life-changing programs. We intentionally weave a leadership curriculum into the daily experience on our programs. Through group discussion, meaningful service, workshops, speakers and excursions, staff guide students to reflect on program events through the lens of leadership, and celebrate outstanding examples of leaders they encounter in the local community. Lending this context to the experience creates opportunities for students to dig deep into their vision, purpose and knowledge of themselves and the world.

ABOUT GLOBAL LEADERSHIP ADVENTURES

Global Leadership Adventures was founded in 2003 by Fred Swaniker, a native of Ghana, TED Fellow and educational entrepreneur whose work has been praised by Barack Obama. Born as a global extension of the revolutionary African Leadership Academy, Global Leadership Adventures now operates programs centered around leadership, sustainable community service projects, and meaningful travel across Africa, Asia, Europe or the Americas. Through life-changing adventures, we strive to inspire the next generation to realize their potential to transform the world and their role in it.

OUR EXPECTATIONS

BE PRESENT | Our mission at GLA is “to inspire the next generation to realize their potential to transform the world and their role in it.” To that end, we expect GLA students to maintain high standards of personal behavior and to be open-minded. The culture may be different, sometimes shockingly so. GLA will challenge students as they are expected to work hard and be present physically and mentally for all activities. We also ask students to take a step back from regular use of technology - particularly their smartphones - so as to maximize their engagement with the program and their fellow participants. Students may get hot, dirty and bug-bitten along the way, but their contribution can transform the community. The goal is for each student to return home having had a life-changing experience.

NO TOLERANCE | GLA has a no-tolerance policy towards drugs, alcohol, tobacco and disruptive behavior. Those who violate or are suspected of violating this policy will be immediately dismissed from the program at the sole discretion of GLA staff.

COMMUNITY-LED EXPERIENCES | GLA makes every effort to offer thoughtfully crafted programs for teens and young adults. Detailed planning and exhaustive communications with partners are indispensable parts of our program development process. However, occasionally service and activities are adjusted from session to session, due to weather, changing needs of our local community partners and/or various cultural celebrations and customs. We expect participants to be open-minded and flexible, willing to embrace the experience when plans change. GLA makes every effort to communicate adjustments to students and families with advance notice. We expect you to be open-minded and flexible.

MENTORSHIP | GLA is not a therapy program. Our staff are highly skilled, professional, caring and fun, but they are not licensed therapists. GLA programs can be physically and emotionally demanding, and applicants should be in good physical and mental health.

ESSENTIAL ELIGIBILITY CRITERIA

At Global Leadership Adventures, we welcome age-eligible teens who are excited about the opportunity to travel to apply for our programs. To ensure a safe and meaningful experience for everyone in the group, we follow essential eligibility criteria. While our intent is not to be exclusionary, it's important to note that GLA programs are not therapeutic programs and are not able to support struggling teens seeking behavior or mental health outcomes.

Applications are carefully considered and screened to align with these criteria. It is not uncommon for GLA to require supporting documentation or information in the application screening process to confirm eligibility or suitability for program participation. Failure to disclose full medical history may also result in the application not being accepted, additional fees, and/or removal from the program. Please discuss with our team for any further clarification or concerns and visit <https://www.experiencegla.com/policies/essential-eligibility-criteria/> to view the full essential eligibility criteria list.

WE'RE HERE TO HELP

CONTACT US | Want to learn more about Global Leadership Adventures and our available programs? Our Admissions Team has expertise and insights into our slate of program offerings, and we're happy to answer any questions you might have. We have collectively visited or staffed many of our GLA programs around the world, and we have advice to share on everything from getting your travel documents together to what a typical day on a program is like. Call us at 1-858-771-0645 any time during office hours for assistance.

ENROLL NOW | We encourage you to enroll on your 1st choice program as early as you can! In fact, our most popular programs fill up early every year, and many students end up putting off the quick and easy application process only to end up on the waiting list. The best way to ensure that you save your spot is to place your deposit and apply early. You can easily enroll online at www.experiencegla.com/enroll.
